*163 SHRI KAPIL VERMA:†
KUMARI SUSHILA TIRIA:†

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether work on the Hazira Gas Processing Complex has come to a halt as a result of a fire incident on July 23, 1988;

(b) if so, what are the details thereof;

(c) whether any inquiry has been ordered in this regard; if not, what are the reasons therefor;

(d) what is the quantum of loss suffered due to closure of the Complex; and

(e) what steps are being taken to recommission the Complex and by when it is likely to be recommissioned?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI BRAHM DUTT): (a) to (e) On 23rd July 1988 a fire occurred at the Hazira Gas Processing Complex of ONGC. The fire was brought under control in about half an hour. The gas supply to HBJ Pipeline and KRIBHCO Fertilizer Plant has not been affected. However, the LPG Plant is closed till the damaged cable and pipelines are repaired. ONGC have ordered an inquiry in the matter. The repair work is expected to be completed by the 2nd week of August. Efforts would be made to ensure that the annual target for LPG production is fully met.
